DJ & Emcee SERVICES

Celebrating Your Lives Together

5 Hour Standard Solo DJ 995

Despite the name of this package, we realize that NO wedding is standard!

It is most common to have a solo, or single, DJ for a wedding reception, regardless of venue or budget. All of our DJs are more than just disc jockeys, they will serve as a full Emcee ensuring that everyone is ready before an event begins, and that the entire evening flows smoothly.

You will have the opportunity to discuss and plan your event with your DJ well ahead of time. You will also be able to provide a play list as well as a do-not play list.

Additional time can be added to this package for \$50 per half hour.

5 Hour Deluxe Dual DJs 1495

Having a DJ paired with an Emcee can really enhance your event!

Although we boast that all of our DJs will serve as an Emcee for your event, there are many benefits to having a dual DJ service. Perhaps your dancing crowd needs a little help with the Cha Cha Slide, your MC can be out on the dance floor guiding the dance while the DJ remains behind the computer controlling and changing the music. Let's discuss more benefits to this great addition to your event

Additional time can be added to this package for \$100 per half hour.
